

MEMORANDUM FOR: Mr. Casey

[ ] called today and left following message for you. You will soon be receiving a request from the Young President's Organization to address the YPO annual dinner banquet on 20 October in San Diego. The President, Don Regan, and Jim Baker have been asked and can't make it. Other speakers during the week are Al Haig, Henry Kissinger, and President Ford.

According to Walt, the Administration is anxious for a Cabinet-level official to address this group. Walt wanted to give you his personal endorsement and hoped you would look favorably at the request when it comes in.
